Selected Experience

Freelance

2015 - present

Video Editor/Designer

Over the course of the last 10 years, I have had the opportunity to work with a wide range of clients including some of the biggest names in tech, healthcare, food & beverage, and outdoor gear. I own every step of the editing process and am passionate about bringing each new story to life.

- **Touch Worldwide**

Edited multiple presentations for **Starbucks** shareholder meetings. ([2022](#), [2023](#))

Edited show opens for **GitHub** RKO (revenue kickoff) FY24, 26, and 27 while on-site at the event. Handled every step of process from ingesting to final outputs. Show open played in front of hundreds of attendees.

- **Dialogue Pictures**

Edited show opens for **Acumatica** Summit, which has thousands of attendees each year. ([2019](#), [2021](#), [2023-2026](#))

Worked on-site at **Acumatica** Summit as media manager/editor in Las Vegas. Ingested and organized all media and pulled selects to help team meet tight deadlines. ([2021-2026](#))

- **Subconscious Productions**

Edited **Grundéns** Spring '22 gear announcement videos, which have a combined 2.17 million views on YouTube.

Edited **Garmin** product feature videos and created motion graphics for each video.

MotionForge Media

2019 - 2020

Video Editor

Worked on videos for the **Microsoft** AI team. Edited **Microsoft's** "AI for Health" announcement video, which was shared by Bill Gates on LinkedIn.

Experience with After Effects and working directly with clients.

University of Washington First Year Programs

2016 - 2017

Student Coordinator for Design & Print

Designed and posted content for social media platforms including Facebook and Instagram.

Designed printed materials including brochures, posters, and the 2017 Husky Guide, which was given to every incoming freshman.

Education

University of Washington

2014 - 2018

Bachelor of Design
